

CANDLE LIGHT VIGIL

Light a Candle to

*Brighten Bethlehem's Christmas
In the Shadow of Israel's Apartheid*

Tuesday November 29, 2005 - 6pm-9pm

Union Square, San Francisco

Corner of Geary and Stockton / Close to Powell St. BART Station

On November 29, 2005 we will celebrate the International Day in Solidarity with the Palestinian People by raising a candle in Union Square and asking Christmas shoppers to remember Bethlehem and the star of Christmas by divesting from Israel. The star's brightness will not return to Bethlehem as long as the apartheid wall is casting its racist shadow on Palestine's children. Our candles will shine over Union Square and call for the return of justice to the land of Palestine.
